NATIONAL GEOGRAPHIC

EXPLORING THE OCEAN FOR SIXTY YEARS – BEST JOB EVER

Sylvia Earle

- 1) Even if you **have never seen** the ocean or touch the ocean touches you.
- 2) Every breath you take, every **drop** of water you drink it's the ocean.
- 3) For me **being** a biologist just **following** my heart **has led** me to some fascinating places.
- 4) As a scientist I love nothing more than being an explorer **discovering** the nature of life itself, that sense of eureka.
- 5) It's a wonderful passport **into** the ocean.
- 6) We are just beginning to assess the magnitude of our ignorance and at the same time that we're learning more, we're also discovering how much we **are losing**.
- 7) How do you save the ocean? You find others who **have** a similar goal.
- 8) All of us depend on these **ecosystems** and they're incredibly .... In some ways they're incredibly **resilient** if we do the right thing but they're also ...
- 9) It's a magical sight that endless horizon that just **stretches** out to blue infinity.
- 10) You jump in the ocean and there you find **happiness**.
